Words cannot express the heartfelt pain of a mother that has lost her child. I can only testify that God will be with you through it all. He will never leave or forsake you. Cast your cares upon him, for he cares for you.

You did your part as a mom, u raised him to the best of your ability and you should be at peace with that. Only God knows why. Believe that he never makes a mistake. ❤️

Keep the faith. 🙏

Love you and the family. May God comfort you all in this time of need.

“ *Deshon aka "D" will be truly missed by me and my family. For those of us who are unable to attend his home going service; We send our condolences to his family and everyone who loved him. Deshon was a quiet man who embraced and loved being a father. He was a loving man who always put family and others before himself. Deshon has been apart of my family for 20 plus years and If I had anything to say to him today*

"I would thank him for being the best father he could be to my grandson and I would tell him to sleep in peace for his work here is done. I will forever treasure his memories and encourage those who loved him to do the same.

He will forever be in our hearts.

“ My nephew is truly missed and will be in my heart forever. He was gentle and kind to his family, friends and associates. I have a life time of precious memories of our good times as well as those times that weren't so good.

His smile is unforgettable and I can still hear his laugh even now. He can now rest without the struggles of life or the short comings that may have held him back from achieving his goals. At the end of our short conversation on his birthday he said he loved me, which was usually what he said at the end of our conversations. I told him I loved him also, which is something I didn't always say, but I am glad I said it those four short days before his passing. He will forever be in my mind and my heart. I will always love him and will never forget him. He is certainly gone too soon and will leave a void amongst our family.

Love, Auntie (Raine)
