“ My last memories of Diane she always was nice to meet and when I was getting high she encouraged me and told me that I could do all things through Jesus Christ that strength is me and when I did that it was so true when I gave it up he strengthened me dying and told me that it wouldn't be easy but I can do it and I remember that about her and I love her so and I want to miss her so much sitting on the porch we were neighbors and I miss her she was truly a neighbor to me the word of God tells us to love my neighbors and she loved me and I loved her and I'll never forget her

“ From the first day Billy introduced me to Diane, I adored her. Diane was full of energy, a sparkling light and a beautiful soul. She made a lasting impression on my heart. We shared good times together, and I am honored to have know her. May her sparkling light fill the hearts of each family member with peace. God Bless, Kathy Atkinson
