“ I can't comprehend just how sad you must feel
For the loss of someone you love.
This sorrowful time must still feel unreal
And you're looking for strength from above.

*I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings--Amen.*

*Till then, if you need me to lighten your load,
I'm waiting to come to your aid.
Just call on me, and I'll walk down that road,
Until the dark times start to fade.*

Deep condolences,

“ Lekeisha, Selina & Keib,

My heart hurts for you three, because I know how much you all loved your mother. My prayers are with you all and when you are feeling down, just think about all the good times you shared with your mother on a regular basis. Some people aren't that fortunate as you all have been to have a mother so loving and caring. She prepared you all for this moment many years ago, as she has instilled the proper morals & values, and hard work ethic to live and do well. Love you.

“ God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.

Love,
