I .met Don in September 1980 at Quinnipiac College. The three of us became friends we went to movies and dinners plus we all went to Canada with Mrs Mabel Jones. As time went on I witnessed your first marriage and witnessed as you two became parents to Alexander. As life continued things changed divorces marriages and remarriage it was a time of change for you. After all was said and done . I wish you the peace that you couldn't find in life. Rest we.
