“ It seems like yesterday that we were all part of a special family at WestHills School. One of the joys of my teaching career was to have had Donell in my third grade and then turn around and teach Donell Jr. last year in six grade. They both had the same charm and energy as well as the ability to get inside your heart. When Donell Sr. came to see about his son at school, he always had a big hug for his old teacher, often lifting me up off the floor. He was so special to me.

My heart is broken and I can only imagine what you are going through. My prayer is that you all will find strength in God and in one another.

With My Deepest Sympathy,
Linda Fripp

“ To the family of Donell "D-NICE" Allick, I send my condolences. He was such a gift, a great person to be around and always made me smile! I was fortunate enough to know him and have memories that will last forever. I am praying for you all. Asking GOD to help you be at peace with this painful loss. Just remember God is not just a God of good times; but, He is also good when you think you can't feel His presence. Today, in spite of how you feel, call on God anyway! He is the same God today as He was yesterday.

“ The loss of Donell has affected so many. I can recall so many memories of his life, from the early years at the Q-House and the years attending high school at Hill House. My sister's husband Edison shared his memories, hanging out with you in the club. I know everyone that had the pleasure of knowing you have memories, that will keep your legacy alive. We will all miss you, Natrece Mayes & Edison & Latreese Santiago Family.
