“ To my Family:
Diane fought a good fight, she left us ALL so many memories we can share and build on. She lived life to the fullest, didn't have many regrets. She said what she meant, and stood on her beliefs. Diane fought for life to the end, and stood in pain like Many of us couldn't stand through in a day! She reminded me of Apostle Paul...partly of what he said Diane fought a good Fight, Diane maintained her Course, Diane finished her Race, Diane took her curtain call, Diane made amends for Peace, and Then Diane took her Final Bow and she exited to the Right. Family I Believe I hear God saying...Diane...Job well done my good and faithful Servant. I leave you with her saying: I Love You More
Chris
