“ *Hey Grandma it's been 16 years and it still feels like just yesterday you were brushing my hair. I love you and I miss you so much. Life is kicking my butt and I wish I could just hug you and see that pretty smile just one more time.*

“ *To the family of Donna,  
I new Donna for a long time and I will miss her.  
I had put her in my prayers, I cried a lot when I found out she had passed , I had only seen her about three weeks before, I know she is now with God and in a much better place, she isn't suffering anymore.*

*Again I'm so sorry for your loss.*
