“ *With Heartfelt Sympathy To The Barnes Family*

My heart is with you as you mourn the loss of Donnell. I know how deeply he was loved, and I pray that the memories you shared bring you strength, comfort, and a sense of peace in the days ahead. Grief has no timetable, so be gentle with yourself as you navigate this difficult season.

“When someone you love becomes a memory, the memory becomes a treasure.”

May Donnell’s life, his laughter, and the love he gave continue to shine in your heart.

“ *To the Barnes family, My condolences to each and everyone of you, especially to his children and grand children. I've known Donnell for over 40 years. He took pride in how he looked each day, because it truly became a statement in how he carried himself. We are very sorry for your loss. The news of his passing, was so shocking and unexpected, but only God knew his job was done. May he rest, and sleep in peace. Sending continuous prayers, and may God keep you all strong during your time of mourning.*
