“ Hello extended family, I know this is a very difficult and unexpected time to go through but know that Doreen was a wonderful, amazing and special woman and losing her has caused a shift in the universe and in all our hearts. She will never be forgotten as she was like a godmother to my daughter and we all loved her and will miss her smile, her wisdom, and humor that we shared. She always had so much pride in everything she need and was most proud of her family. Our family will keep Doreen in our prayers always.

“ To the Boyd-Jones-Edwards Family  
Every once in a while around town I would run into your mother & husband, always greeting each other with a smile or hug and plenty conversation. Even though I haven't seen her in a while, she was still my friend, beginning as classmates in Wilbur Cross class of "73" - Our son's went to elementary school together (Helene Grant) and became friends, having sleep overs at each other's home from time to time, most recently sharing memories and planning reunions on the "City Wide Class of 73 Reunion Committee" We will always remember her sweet smile and beautiful nature. May God keep you in his embrace at this difficult time?

*Was so saddened to hear of the passing of Doreen. We had not seen each other in awhile but when we did it was always a reunion. Doreen and I were co-workers at Clinton Avenue School and we found out through conversation that we were also distant cousins. To her children and husband I send my deepest prayers and condolences.*
