“ Aunt Dottie I love you and I miss you. I will never forget all the Disney movies you had for us as kids. You would always pull them out whenever we visited and we each had a favorite. I love your Aunt Dottie!

“ I have a lot of fond memories of Aunt Dottie. We all lived in Church Street South together for years. The Williams family live a 3A, The Byrd family live in 4A and The Brown family lived in 3A Great Green. I will never forget how we used to all be outside at 6pm playing, and waiting for the Brown family to get out of church. Aunt Dottie would come on the porch and shoot out candy and then as many of us that could fit in the station wagon would go to the grocery store with Aunt Dottie and Mrs Brown and the family. We had a lot of fun growing up together and I will cherish our childhood days forever. Rest in Paradise Aunt Dottie. You will truly be missed. You
