“ My name is Glaston McCook even though everyone calls me Bunty. Dorothy and I went to St. Ann`s Bay primary school together while she lived on Gordon Tenant Rd. and Musgrave St. in St. Ann`s Bay. I left Jamaica in 1981 and returned in 1988, that was the last time I saw Dorothy Howell. Since then, I`ve always tried to find her but without success. Just by curiosity, I was going thru the obituaries where I saw her name. I am grief stricken because she was my best friend and the sister that I never had. I would be grateful if her family could contact me, please.
