“ *Grandma I never imagined life without your physical presence on this earth although I know you may be in a better place it is still difficult to accept the truth of never seeing you again, getting a hug and kiss from you or hearing your funny jokes and quiet laughter. I remember your idea of giving me a special present was a Suzy q, funny bone and ano ball cake lol it wasn't much but it meant everything. I miss you I love you and I will try to live the rest of my life in a way that you will never frown upon.*

“ *I'm sorry for your loss. Death is such a hateful and ugly event. But God's words in the Bible give us future hope at Isaiah 25:8 where HE promises to wipe away our tears and swallow up death forever. May you find comfort from God's words in the Bible.*

“ *My prayers are with you all during this time. When the pain is unbearable remember that "The Lord is close to the brokenhearted and saves those who are crushed in spirit" Psalm 34:18*

*Although life will never be the same, Know that The Lord will give you rest in the days to come.*

*"Come to me, all who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light.*
