“ Tonya, I'm so sorry to hear about you Mom's passing. We recently celebrated her 80th birthday. Your mon and my mother Mabel were best of friends. I remembe the Mary Kay gatherings and cook-outs. They were the best of times. Ms. Dot was so sweet and kind. She will be greatly missed. My prayers are with you and your family.

“ A Letter to My Mom

Dear Mom,

It was so sudden that you went away from us. It was unexpected and heartbreaking. I did not get a chance to tell you how much you meant to me while you were still awake. But while you were sleep, I sat by your side, I held your hand and talked to you knowing that there was a part of you that could still hear me. I was able to be there for you like you were there for all of us. You took care of your children, your siblings your grandchildren and whomever required your assistance or care. I hope you know how much you were loved and appreciated and are going to be missed. I will still hear your wise advice and your admonitions.

Mom, you will always be in my heart and in my thoughts. Say hello to Daddy. It has been nine years since you have seen him, and I know you dearly missed him. I am sure you will have a lot to say.

*I love you always,
Your son,
Jason*
