“ *I'm deeply sorry to hear of your loss. Our families were neighbors back in the day. We lived at 151 Liberty Street, I recall the Douglas Family, so well; I believe we called the mother Ms. May, and the grandmother Ms. Burgess. Gail and I played hop scotch and jump rope.*

*May God comfort you in these difficult time. Always, look to the hills from whence cometh your health, all our help comes from The Lord. To the wife and children; please find comfort in knowing others care.*

*Margaret Mclver, a daughter of the Late Daisy Bethea Mclver and Evander H. Mclver*

*“ To my friend to the end!! I remember the times me, you and Joe Baby Gray had running these New Haven Streets together as young men looking for direction!! Every time we ran into each other in later years we always shared a kind word together! I just saw you about a month ago and I miss you already!! Like I said to you that day we will always see each other again, except this time it will be in the resurrection! To the family I am Tony Parker and I extend my condolences to you and I'm going to miss my friend!! Turn to GOD HE will see you through!!!!!!*
