“ It's really hard to believe that you are gone. I will always remember how much you loved me & my sister Tonya. When we were little girls, we didn't look at you as a "cousin" we considered you as our "uncle Duwayne". I can also remember when I was "6" years old how I would come home from Kindergarten and get my "bottle" until I bit the nipple off lol. You were the one that told my mother and Aunt Ruth not to give me another bottle because I was "too big" but for them to sew the nipple with black thread. Well, they did...and I finally got off my bottle. Of course I cried but eventually got over it. Then I can remember how my sister wondered away from home one day when she was around 5 (she really had everyone scared to pieces lol.)She walked from Henry st. to the package store where you worked. I won't even talk about how many times my sister and I were thrown (literally) from Aunt Ruth's porch (2nd floor to the 1st floor) by you, Donnie, and Gary; you would scare my mother and Aunt Ruth tremendously but me and Tan loved it!!Lol. I will always cherish these memories and I will never forget you. Love you dearly "uncle Duwayne" Rip in Peace...Renee
