“ *Dear family of beloved Edna Hudson, I had not been able to keep up with her very much in recent years, but Edna was a cherished friend always there to do for others even at the expense of her own well being. I met Edna when she worked at Winchester and I handed out the People's World newspaper outside the gate. We shared strike times and some trips to Washington. We shared good times at the New Haven Peoples Center. I got to know Edna through Craig Gauthier who is now in Louisiana. Dear family, please accept my love and shared sorrow and condolences. How fortunate you and all of us who know Edna are to have had her in our lives. - Joelle Fishman*
