“ *Broham... what can I say, He was a true friend. He and I have been friends since I was 18...Many years have passed, yet we saw each other quite often, and we'd laugh, catch up on who was left from the old crew, reminisce on back in the day and laugh about how we must have done something right to still be here. I will miss our friendship, but knowing he is safe in the arms of our Lord...I know we will meet again. Condolences to your family, your children and your friends. You may be absent from us physically, but you left so many good and happy memories...May you rest in Peace...*
