“ We offer these words of encouragement and support during this difficult time of grieving. May your hearts and minds be fixated on the love, joy, and happiness that Freeka brought to us all. We are praying that God sends his angels to be with each of you and that He wraps his arms around you. We send you healing and light. And pray that you are comforted in knowing that all things work together according to the will of the Lord. Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you until we meet again.
