“ *I am so saddened by the news of Elderess Gore passing. I will always remember when I met her at the age of 15 years old (now 34) at Faith Apostolic on Water Street and how she came and got me and my sister and put us in the Choir. I loved the way she directed "Put ye on". I will always cherish the memories in my heart, I will never forget her. To her family, I will continue to pray that God strengthen you through this very sad time. God bless you*
