“ *I will never forget MaMa she was the funniest. She always had us laughing. It was never a dull moment with her. I remember back in the days when I was younger I used to always be at her house playing with Neshell & Boona. I used to go to the store for her to get her smart food popcorn. We use to play cards at Brenda house and even when she was dead serious we couldn't help but laugh. She spoke her a mind and that's what I loved most about her. She didn't sugar coat nothing. MaMa will truly be missed. Gone but will forever be in our hearts. Love you MaMa Liz. I pray that God get the family through the days ahead. You have a special angel watching over you. 🥺*
