“ *When you lose someone that you love, take comfort in knowing that those who were saved are now with God. For it is written that when we die; The dust returns to the ground it came from, and the spirit returns to God who gave it. (Ecclesiastes 12:7)*

“ Miss Elnora..I'm still in shock and disbelief, as I feel we just spoke the other day. We clicked from the moment we met. And even considered you my grandma. I enjoyed coming by and making you laugh and giggle, I enjoyed chatting with you and learning about inspection tasks, I enjoyed our chats and learning about how to treat a lady and keeping her happy. You watched me grow as a young boy to a professional man and always gave me words of wisdom. You always told me how proud you were of me and shocked that I always came by to check on you. As my time grew on in turbotip and after my Pratt career I made it a point to keep in touch with you. I would get the latest news from you and you would tell me how much you looked to retirement. You always spoke kindly of others, showed respect, loved your sons and your grand children most importantly the one that lives in Raleigh. I don't recall her name but I recall how special she was to you and you contacting me when she needed some guidance on jobs. Whoever she is if you are reading this, Miss Elnora has put a lot of trust in you to bring the family together. I can say so much about my years of work with you. Thanks for everything and may god bless you and your soul Rest In Peace. We will love and miss your beautiful personality very much and I will always keep you in my heart.
