“ *Sometime you just have to hold your head up high, blink away the tears and say good-bye. But I am Frustrated because I can't tell if it's real. Mad because I don't know how you feel. Upset because we can't make it right. Sad because I miss you, we was the first, Me the first grandchild & you the first grandson. Angry because you wouldn't take my hand. Aggravated because you didn't understand. Disappointed because we all can't be together, but still I'll love you forever. RIP MY BIG/LIL COUSIN :)*
