

Eric R. Vincent

January 19, 1968 - June 29, 2022

Eric R Vincent, 54, departed this earth on June 29th 2022. Eric was born in New Haven on January 19, 1968.

Eric was a hardworking man who enjoyed taking it easy most of the time. Spending his days relaxing, playing video games, watching movies, and often times joking around with people like his close friends, and especially his daughter. He would always make sure she was well cared for, protected and taught her as much as he could about the world that he knew. Or often times what his friends had taught him themselves. More so the ones he saw as brothers and had treated them as such and vice versa. He lived everyday as much as he could with his own unique outlook of the world.

Eric leaves behind a Daughter Asharia Vincent, Girlfriend Desiree Ford, Mother Louiseana Vincent, Father Coleman Vincent, Sister Lorie Vincent, four beloved nephews, and one little niece. Eric is pre-deceased by a brother, Kenneth Vincent, and Step-Father Milton McSwain.

It could never be denied that he had always loved and made sure his family was taken care of, and his close friends\brothers new he would always be there for one last drink.

“ *My childhood friend, can't believe your gone. He would harass me from Shelton Ave to Huntington Street and until I arrived at my grandmother's house. I could always count on him talking me to death for a good 10 minutes. Those were good times. How I wish I could have had a conversation with him so we could laugh about those times. Praying for his family.*
