“ I love and miss you so much Big Cuz!! Thank you for all the fun, happy, and random memories you left us. We (your family) are all so proud of you for the strength you showed during this fight. You were truly an angel in disguise and only the ones who knew your heart would understand this. You showed love to everyone, even when it wasn't returned. You were an awesome individual... conceited a lil yet very awesome lol. I love you Sassy and kiss Grandma and Aunt Rose for me. R.I.Paradise

My love, just wanted to visit your memorial. To see that beautiful face. I miss you so much and think of you often and practice WWTD (What would T do?)....

Things have changed so much for me, since the last time we were together. Your love and perseverance will always live within me. YOU WILL ALWAYS live within my heart. I miss waking up to your smile every morning laying by my side, protecting me. Those gorgeous brown eyes "my brown eyed girl" LOL. Then when it was my time to protect you - only we know what we went through.

I love you and always will.
