“ *First let me start by saying my condolences to all of you. Nana was a inspiration in my life always had kind things to say made you feel welcome when ever I was in her presence she loved all of us unconditionally no matter what she would tell me when I was right or wrong the way she said things would just make you feel so much better. I could go on and on words could never express enough for her life the life she lived spoke for her shewill be forever in my heart. she loved the young adult choir she would take us with her on many of her engagements call us all(HER CHILDREN). Thanking God that she is no longer suffering and that she is home in her fathers house the world as we know it will never be the same we have lost a beautiful flower,and heaven has gained a willing worker for the lord. Eldress Ester E Donegan take your well deserved rest .To Furman, Barbara, Joy, Rita & James Thank you for sharing your Mother,Mother in Law, & Nana with me.*
