

Ethelean Singley

November 25, 1965 - August 1, 2023

Ethelean Strong-Singley was born in New Haven, Connecticut on November 25, 1965. She was raised by her beautiful mother, the late Alfreeda Wells.

Ethelean attended New Haven Public Schools. She was blessed to have had two Daughters Michelle and Monica Strong. At one point, Ethelean was employed at Winkle Bus Company of West Haven, CT. for many years and loved driving the children back and forth to school.

Ethelean was married to the love of her life John Singley who she had spent the last 15 years with.

Besides her husband and children, she leaves to mourn her granddaughters, Armani, Ariana, and Nevaeh. Ethelean was overly excited to meet her unborn grandson Bryson. Her Brother Peter Strong Jr. (Yvette), two sisters Tammy Talton (James) and Alexandra Nadeau. In addition, Ethelean also had two Brothers James and Johnathan and a host of nieces, and nephews that loved her dearly. Ethelean was looking forward to hosting the 2023 Thanksgiving family dinner at her home. We will never know the plans that God has for his people.

Ethelean's passion was to play music, dance and she enjoyed being in the company of her family. She also loved to socialize with everyone near and far.

Ethelean was a stranger to no one and loved to call everyone a friend.

We all loved Ethelean very much, but God loved her best. Rest in Peace our loving mom, grandma, sister, and wife.

The family will have a private cemetery service to be held at a later date.

To My cousin Ethelean, I was so suprised to hear of your passing. I know that a lot of time has passed between us, but I thought of you often. I remember when when we used to hang out at your house (Dixwell & Bassett). We did have some good times. We often lost touch, but we always seemed to find each other again. You will truly be missed. Believe I can't believe that Miss Anthony passed away. She was a beautiful young lady, she was a woman of God, she would talk and always had a beautiful smile but God knows best but I'm still in shock and she was loved. So sorry I give my condolence. I'm still disbelief it feel like a dream
