“ *To my family, words can not express the sorrow that I am
experiencing for the loss of Fillie Ann. Death in any form is never
easy, but those that are unexpected seems to effect us just a tiny bit
harder. Please know I'm not there in flesh but my heart, spirit and
mind are standing with each of you in these trying times. I love you
all and as a family we will continue to pray and hold on to the ONE
that gives us strength and peace, that will definitely surpass our
understanding. We will continue to trust God.
Truly Blessings Always, Rody and family*
