“ I know this for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. I pray that the peace of the Lord be with you and offer my deepest sympathy.

“ Butch was a favorite student of mine in my English class at Wilbur Cross. I'm so sorry to read that he passed away--he's gone much too soon. His graduation picture in the 1971 Wilbur Cross yearbook has a photo of him with a big smile and a mischievous look in his eyes, which he always had. I will always remember him that way. My sympathy to his sister and brother, nieces and nephews.

“ With Deep Sympathy I am sorry to hear that Butch has passed. I use to talk to Butch as we often ran into eachother on our seperate journeys to and from work.And it always seamed like Butch was constantly working. Going into one job in the morning and then headed to his next job in the afternoon.But i never recall Butch complaing about work, He was just always happy and talked often about his Nephews and Nieces .. Now God has called Butch and i just know that Butch is not complaining as he has been called to do Gods work May God Bless you Butch and ease your Families greiving
