“ *I have so many happy, fun-filled memories. You instilled many positive values. You were a forgiving person. You were never afraid to say how you felt, including telling someone that you loved them.*

“ *What can I say about my Godfather that hasn't already been said. He had the greatest sense of humor, he would make you laugh to you cry. And a heart to match his size if there was anything he could do for you he would, So no matter what you called him he was LOVED. i sure will miss the laughter. See you next life time.*
