“ *Dear Mom and Dad, Grandpa Fred will truly be missed. I'm glad we got a chance to sit and talk with grandpa and see him smile before he passed on. We are sorry we could not be there with the family in your time of bereavement, But our hearts and prayers are with you all. Stay strong.*

“ *I had the pleasure of meeting and growing to love Mr. Crenshaw while he was a resident at University Skilled Nursing and Rehab Center. Although I was truly saddened to hear of his passing, I know he is in such a better place and reunited with his dear wife in heaven. He was so sweet and genuine. I cannot remember a single day when he was upset; always a kind word or a smile. To the family: thank you for sharing Mr. Crenshaw with all of us! Your care and dedication to him were outstanding and should be an example to all of how our elderly deserve to be treated. God bless you all. LaShanda Cheek (former rehabilitation director USNRC)*
