“ *May God comfort the family of Garfield Fitzpatrick through this difficult time. I find comfort knowing Garfield was saved. We shared the best conversations while working together at Project M.O.R.E., Inc. I will always carry our memories in my heart. Garfield was a great man and yes he was sharp all the time... We all used to joke about Garfield wearing jeans and he said Toccara I probably wore jeans once in my life.... Lol he got his style of dress from what he said from his father may he rest in peace as well.... Garfield had a wonderful smile and personality.... Glad to have known you on a work and personal level.... See you later Garfield... R.I.P. Our Project M.O.R.E., Inc., family during the time we all worked together was the best.... I will never forget you Garfield!!*

Weeping may endure for a night, but joy comes in the morning... Garfield was a friend and we worked together for a while with Project M.O.R.E. however, I've known him for years. Always a gentleman, smart dresser and someone who loved and knew the word of God. I was shocked when I read this because I never knew he was ill. My condolences to his family and friends and may he sleep in paradise. God bless all who knew him

My heartfelt condolences to the family of this very kind, pleasant and wonderful human being. I hope you will find a little comfort and peace knowing that he was a wonderful person who was love by everyone he came in contact with. Garfield may be gone but his beautiful memories will live on. Garfield will be remembered for many things but most of all his style of dressing, his calm demeanour and his love for Christ. I was surprised to here of his passing as I didn't know he was ill. May he rest in peace and may the angels surround him with love and laughter and welcome him into glory.

“ *I remember Garfield when he lived on Huntington Street some years ago. Although I didn't know him personally, I always admired his impeccable style and distinguished character. Praying for comfort for our friend Kelvan and the entire family.*
