“ *So many memories and highlights of coming to CT during childhood and as an adult were of spending time with Garrett. We would spend hours outside (still amazed how green it is in Middletown) while our moms caught up with each other, Garrett would tease me about my Cali accent and as teenagers we had debates about West and East coast hip hop. Garrett is kind and funny and all my memories are of him smiling with those warm eyes. Sending loving thoughts to his children, my cousin Momo, and all our family in CT and NY. May you rest in peace cousin Garrett.*
