“ *Oooh grandma....I had to look up here to see if I really saw your name and picture. I even read it to make sure. I never imagined I could feel this lost without you here. I've heard people say so many times that they felt empty, or a part of them is missing. I get it now. This void will never be filled. My heart beats so differently now. I have so many wants, needs, and wishes about you. I'm thankful I told you loved you, but I want to tell you again. I wanna hear it too. Goodbyes are forever and I'm not ready to say that...so till next time*  
❤️!
