“ *To The Family Of George A. Solomon,
My husband and I graduated with George from Eli Whitney, we have known George to embrace only the good things in life and it saddens us to hear of his passing. Even though we did not see him in a long time we knew of his strength and determination and I know he would want that strength to continue in his family, so hold on to those sweet memories he has touched you heart with and hold on to the hands of the Master. We will continue to keep your family in prayer and may God's love substain you at this difficult time....God Bless You,
Daryl and Joyce(Troutman) Diggs*
