“ *Daddy, it's me your bogger bear (Tiffany) I miss you sooo much you been resting now 2 weeks and it still doesn't seem real, it's not a day that goes by since you took your last breath that I don't think about you and I'm always looking at your pictures. At first I questioned God as too why, but then I remembered he needed you more then I did. I'm doing ok for the most part I just need for you too keep watching over me and your grands and assure me everything is gonna be just fine! I miss and love you always and forever. Love you daddy 🙏💕🥺😊*
