“ *My heartfelt condolences to the family of Harriett Hayes. Harriett was a true trooper. I'll always have memories of us playing cards and boy did we play to the wee hours. Laughing, eating and having a great time.*

As we drifted apart from our card playing days whenever we saw each other always love.. A smile, How you doing? I'll miss seeing Harriett.

Praying that God give you strength in this difficult time. God Bless you all.
