“ *A few weeks ago Harris raced my 7 year old grandson on a bike. My grandson was so excited because I told him that Harris was the champion racer in all of New Haven and Harris being the kind man that he was let my grandson win the bike race. The smiles on their faces was priceless. I will miss Harris and the way he gave the strongest handshake and the most comforting hugs. His arms were so strong because of all those pullups that he loved to do. Our prayers go out to the family of our lost brother. May God grant you peace and grace during your time of sorrow.*
