“ *I met Marie at Chase Elementary School in Waterbury in 2009. She welcome me into a this new environment everyday. We met in computer lab and shared our love for almost 800 students. Marie, while working, I watch you lovingly care for your mother and then go to work everyday. You are cut from the same cloth as your mom. Until our next NYC trip, be blessed and know she is with you always. Your Friends Wendy & Ken*
