

Henry Lee Moss Jr

May 30, 1967 - August 18, 2020

Henry L. Moss Jr. age 53 departed this life Tuesday August 18, 2020.

Born on May 30 ,1967 in New Haven, CT; Henry was the son of late Henry L. Moss Sr. and Lily M. Moss. He was educated in the New Haven Public School system and graduated from the Richard C. Lee High School in 1985.

After graduating, Henry served two years in the Navy, and then went on to work with his father at Bond Bilt Garages for six years, before moving on to work for Trelleborg for over 15 years until his untimely death.

Henry, affectionately known as “Jain” was very humble, smart and laid back; the type of person who never sugar coated things and told you “like it is”. He had a list of hobbies/interests, ranging from reading every comic book, playing spades (you couldn’t beat him if you tried) and was an avid fan of Marvel and horror films. HE loved to cook and would consider himself as the “Black Bobby Flay”. But his favorite pastime was watching the Pittsburgh Steelers play and was always ready to defend his team win or lose.

His life will forever be cherished in the lives of his family and friends. He leaves behind a daughter Kelashae M. Moss of New Haven, CT two sisters Lesley Moss and Mary Newton, uncles Jay B. Reed and Albert Reed Sr., aunt Mary P. Williams, all of New Haven, and also a host of nieces, nephews, and

cousins. He also leaves behind his best friends Matthew Watkins and Alisa Hayes.

He was predeceased by one brother Lee Wincoop.

Join as a result of your generous spirit and pleasant personality you will forever be loved by all who knew you.

“ *Sending my prayers and condolences to The Moss family. I'm still in disbelief that my friend is gone. I will forever miss our laughs, our talks and just being my "brother" for over 36 years. Only God knows why he chose to take you away so soon and so unexpectedly. But I'm so thankful God allowed us to joke around during the your last days here. Im going to miss our who can cook the best conversations. And our re-enactments from movies or our music battles. I'm going to miss you but it gives me comfort in knowing that your safe in the father arms. SIP my brother with love*
