“ To my sister Belinda, Nicole and all of my nephew's children and siblings, I hurt with you in the transition of my nephew, Howard. I am so sorry I cannot be there to join you on this sad occasion. However, I am with you in spirit. It is always hard when we lose a loved one and I know in time we will get better. We will miss his smile and his way of making you feel special. But for now, put your trust in the lord for strength to make it through. I love you all. The sun will shine again.... and this dark cloud will roll away.
With love
Your sister and auntie -

“ *Belinda, Todd and family. We are so deeply saddened for your loss. Foot would always walk into a room with that big smile of his and light up the room. He loved his family and friends. He's lighting up Heaven with that smile and personality. He will be missed. May God wrap his arms around you and comfort you at this most difficult time.*
