“ to Darlene and the Hugh Barrett Family I forward to you My truest condolences, I must tell you I am numb by hearing of Hugh's loss , He has been a dear friend to me for literally over 45 years! Both while in West Rock (Brookside and Oriental Gardens) and also and especially in Somers when We all had to be Brothers and Friends> Hugh was all that, always there and was the best driver I had ever seen(lol) In fact being I now reside in Texas,the last time I saw Hugh I was in Meriden getting a Friend out of Court and He thought I needed a ride,do you know He turned all the way around from New Haven and came back to Meriden to insure we had a ride back to New Haven. This was this past July! When I say I'm going to miss Hugh,I'm going to miss Hugh! I will continue to Pray Allah that He sees fit to give you the strength to persevere through this very trying time. Love Khatib or as Hugh always said your Mark! Mrs Jenkins named you Mark and dammit your Mark lol!
