“ Good morning to the Fischer family. You have lost a very huge part of your family. I just want to extend my condolences to you all once again. I have been waiting for the going home arrangements to go online but see that it's today. I am not able to attend due to me having to go before the disability state doctors about my legs. I truly wish I were there. Ishmela, you will truly be missed. All i can think about is when you all were young and came to 40 Porter Street, where i grew up or on County Street where you all grew up. I still can not believe you are gone but know that you will see your mom and dad in heaven. I pray for peace for the family and just want you all to know that i love you very much and that it really hurts my soul that I can't be there. If you all need me for anything and I can help please don't hesitate to call on me. My number is 917 214 3648.
