“ ❤️Hey uncle james, I can not believe that I am writing this under these circumstances, you were a cool, loving nonchalant individual and would also tell it like it is rather they like or not, lol, I wish we could of been there with you in your last days that's what hurts the most, no one should have gone through what you gone through alone,.. you are a strong man and fought a good fight, but the good LORD needed his warrior and sent for you.😞 my heart is heavy and the family is missing you dearly...but we know you're in good place now chilling with grandma, grandad, uncle stan,cousin Nelly, and cousin black, I can only imagine the conversations you guys are having up there lol. I love you beyond measures, ..until we meet again, Gone but never forgotten...~your Niece Toya~ 🙏💕📧
