“ *To the Harris family; so sorry for your lost. James and I were together for 10 years plus. He was the love of my life. Together we shared 5 children. Montreal, Yoashica, Windy, Wayne, and Tiffany. He was there for me when both my parents died. He helped me get through it. Without him on my side don't know what I would have done. He was the meaning of true friends. R I P James I will for every love you. See you in the by and by.*
