“ My heart is really heavy for my sister Tomeka God only knows how you are feeling. I can just see his smile and his shy and quite voice as I would be talking to him just a smile as his reply. So we will have to carry the positive smiles and thoughts in little Jay now. He will be missed and loved dearly. So to my Graves family from the (Richardson) Armfield family we are praying for you all and here is you need us.....Love Venetia Armfield

“ From heaven he was delivered
As a baby unto you,
When God said to me softly
I'm trusting you to do
Everything that's needed
To nurture and to love
He's your little angel
Sent from me above.

You see...spirits cannot be
Held, hugged or kissed
The body that was his vessel
Is what you'll surely miss
But his spirit that I shared with you
On that one special day
That is what I promise
To never take away.

So he is back in heaven now
The earth was not his place
He taught you all he could
About dignity and grace
So as you grieve and weep
To see him once again
I promise he's waiting here
When you get to heaven.

Love you 🥺🥺🥺🥺
