“ hi jazmine, it's me... jordin again, lol. though i think about you all the time, i'm thinking of you more than ever right now. i've been dreading the ten year mark that'll be approaching in a couple days for the longest.... it truly pains me. some people may think i'm crazy or delusional for leaving comments on here every now and then, but i feel like it's my only way to communicate with you and carry a piece of you with me everywhere i go. we miss and love you so much, i hope you're doing well angel. ❤️

“ To give Birth to an angel

On 12/6/2002 God began a journey for a mother and father that was written and sealed by his sons blood. Little did they know that the child born to them this day had a destiny. A destiny to bring only JOY to her parents life. A destiny to never face the impurities of adulthood. A destiny to save many lives. A destiny to never know the pain and agony of loss herself and to bring unspeakable JOY to her friends family and school mates for a season that in all was not short.

On 12/6/2002 GOD said BIRTH an ANGEL that will come in pure and come back to me just as pure before the banishment of womanhood that can bring strife and heartbreak and hardship and hatred. YOU ARE MINE and YOU will live forever as a pure ANGEL.

The lesson has been taught and the Angel that was destined to be Gods has returned home. When the question arises WHY? Know BUT GOD. God is wonderful and destined some to be too good for the strife of life. PRAISE GOD that she will never have to call on God because of aches and pains of aging. Praise God that she was not made for this world. Praise God that she will be missed but remembered as a child and no one can ever say she was anything but that JOY of childhood that we bypass and rush through to the realization of adult life.

12/6/2002 God brought an angel in the world as he so often does but we wish they would have stayed here. WHY? That's the real question? Her destiny could have been to be a doctor lawyer president CEO but her destiny was written to be an ANGEL which is the highest position God can assign.

SHE CAME HERE TO EARTH BEING TAKEN CARE OF AND LEFT THIS WORLD IN PARADISE OF PURITY OF NOT EVER HAVING TO TAKE CARE OF HERSELF! Now that's the real hallelujah!

to Kizzie and Jay you have had the honor of bringing an angel to this world find it in you to praise God for that through the pain every time you feel down let the fact she wont have to suffer through adulthood warm your heart!

“ *I am sorry to learn of your family sorrow. The death of a loved one is painful. If I may, I'd like to share scripture found in your Bible that may comfort you in some way. John 6:40 reads...For this is the will of my Father, that everyone that beholds the Son and exercises faith in him should have everlasting life, and I will resurrect him in the last day. You see, according to this promise, we have hope.*

“ Dear Family, I recently read about the loss of your loved one and extend my sympathy. I hope that Revelation 21 verse 4 is comforting to you as it has been for me at times like this. There the Bible promises a time when death is no more. May your many memories also bring you much comfort.

“ How sad to lose one so young. May you be comforted by the promises at Revelation 21:3-5 where it says "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." 5 And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, because these words are faithful and true."
Sincere condolences for your loss.
