“ Jean was like a sister to me. When our children were young we put
our food together and made a meal and noone knew about it but us
and God. We always had fun when ever we got together or when
we see each other it was like yesterday. We cryed on each other
shoulders.

Jean passing is like losing a close member of my family. There will
never be another Jean Short. My neices and my nephews be
strong, be encouraged, Auntie Ruthie love you all. Rest In Peace,
you will always be in my heart.

*To Wanda, Stacye,Robert, Anthony and Edward
I was once told by your mom, my auntie that life has its way with all of us. Three years ago I was here celebrating your birthday and now I'm back celebrating your life! There are no words to say that I can think of but there are words that God speaks! I praise God for the time He gave me with you. The fun, my special name, you wearing my hats and me wearing your hair! Memories last a lifetime. I believe your are now with your siblings, mother and father. The pain is great but thinking about all the love you gave selflessly to all you came in contact with has eased that pain. Rest in paradise in the arms of the Father. I will miss my face talks but I do have your last message to me that I will cherish for a life time!*
