“ *To the family: My thoughts and prayers are with you during this difficult time. Jerlene and I graduated together from high school and we shared many fun times that I will always remember. She is gone but will never be forgotten, may you find comfort knowing she is home with the Lord, her parents and brother.*

“ *This is to share the memory of Jerrie Smith who was the very efficient person who operated the telephone and knew everyone at the Pierce Laboratory during my time as Director, after Dr. Hardy. Jerrie was greatly admired by everyone at the Lab, and most helpful in every way. I am sorry to see her go. Congratulations to her family for having been associated with a member of the staff so greatly admired. Arthur B. DuBois*

TO

“ Nannie to see this just brought tears to my eyes and sadness to my heart. Even though I knew it, there was just something still in me hoping it wasn't true! Ri, Niecy, Persia and Jessie, I promise to be there just as if Nannie was still here...I love you all and send my deepest sympathy
