“ Our deepest sympathy is extended to the family of our Brother Jerry Alexander. We never had the privilege of meeting any of you. But we knew about you through Brother Jerry and he loved you all. I hope it brings comfort to your hearts that Brother Jerry accepted Jesus Christ as his personal Lord and Savior. Time is moving so swiftly. But I believe it was over 8 years old. Before Covid we use to visit him and others at Advance Care every week. . Since covid we have not been back in person to Nursing home. But we continued to minister over the phone every Saturday. We love Brother Jerry. The last time we had an opportunity to pray with him was September 7,2024 and had not been able to reach him since then. He was still hold on to his trust in Jesus. His very life was a miracle of God. All the many times God raised him up. He's at rest now, no more pain, no more struggles. That is the promise of God to everyone that put there trust in Jesus and receives Jesus Christ as Lord and Savior. Pastors Dorothy Marie Greene and Co-Pastor Jimmy Greene.
