“ To Aunt Jerri, Evelyn, Sharon & Michelle, We remember All the Love we shared growing up together with Butch and the family, we were always looking forward to sharing fellowship with all of you during the summer vacation times in North Carolina. We are family, and we may not have had it all TOGETHER, but TOGETHER we felt like we had it all, we were the best! Sorry we are not able to be with you at this time, but just know we are there in Spirit and Prayer, Our Love for the family is the same, be encouraged and know that all is well. Butch will forever be in our hearts and memory. God is Good, and Greatly to be Praised even at a time like this, we can still have hope in him.

Lovingly Submitted, Inez Joyner Cannon Children (in North Carolina)

“ To the Joyner family. My deepest sorrow at the passing of one of my good friends and mentors. He always was there for me and was a great teammate during our years of playing softball together. He always gave me good and sound advice. That is what a great friend he was whether I wanted to hear it or not. He will be missed.
